

# 2021 Anne Amie Vineyards Two Estates Pinot Gris Willamette Valley AVA

Anne Amie is fully committed to sustainable farming and winemaking.

The Anne Amie winery and all Anne Amie Estate Vineyards are Salmon Safe or LIVE certified.

Our Pinot gris is an elegant expression of this versatile varietal. Intensely aromatic powdery floral notes give way to a palate of Asian pear, Meyer lemon and rose petal. Balanced and crisp, this wine is a great match for many dishes from chicken paella or moules-frites to pork roast.

## VINIFICATION

Grapes were hand-picked and brought directly to the winery in 1/2 ton totes. They were whole cluster pressed and placed into temperature controlled stainless steel fermenters, where they were slowly cold-fermented at 52°F for maximum varietal character. 5% of the Pinot gris was fermented in neutral barrels at 55°F to enhance mouthfeel and aged on the lees for four months before bottling.

## VINTAGE DESCRIPTION

2021 was an ideal year for grape-growing in the northern Willamette Valley. The sun shone for most of April and May with well-timed precipitation to support vine growth. Flowering was clear and sunny and occurred before the “heat dome” of late June –avoiding any excessive stress on the plants during fertilization. Heat events later in the summer occurred in graceful sync with the fruit development and never caused unneeded stress on the plants. The continued trend of warm summers meant that harvest was once again predominantly in September.

## AROMA

pear, citrus, gardenia, orange blossom, green tea, vanilla, orange peel, jasmine

## FLAVOR
